

# Jacob Returns Home

Genesis 32,33

Jacob's stay in Haran lasted 14 years. During this time he married Leah and Rachel and had 11 children. The LORD had blessed him during this time and he had flocks of sheep, goats and cattle. It was now time to go back home. Jacob was afraid that Esau would still be angry and he sent the others ahead of him with gifts for Esau.

Lead Jacob through the maze below to his brother Esau.

This is what happened when Esau met Jacob:

"Esau ran to meet \_\_\_\_\_ and \_\_\_\_\_ him  
and threw his arms around his neck and \_\_\_\_\_  
him.
